Extras

The album contains an extras (https://drive.google.com/drive/folders/17v3ZGrahI6ET8fPno8mYvGkYT_1SM-LV) folder, being a reference to the promotional line from the original "The Gummy Bear Song - Long English Version (https://www.youtube.com/watch?v=astISOttCQ0)" music video. In it, there's an Adobe Flash Player program named "cdmenu.exe". The program is made to look like a early-2000s shareware aplication to advertise a product. Upon launch, the program displays the "SilvaGummer" logo and two buttons: "I Am A Grand Father (English Video)" and "Wallpapers". The first option plays the included "GRANDDAD.flv" file, which is "A Gummy Announcement" in 360p with the JAM!ster advertising elements taken out and the audio replaced with "I Am A Grand Father (The Grand Dad Song)", as well as a back button in the bottom right corner. The second option opens the included "wallpapers.html" document, which is a very basic HTML page offering downloadable wallpapers featuring Grand Dad from the aforementioned video in two poses: one with a microphone and second with him balancing on one finger. Both images are accessible in two resolutions: 1024px x 768px and 1280px x 1024px. The folder also contains two .swf files, one being "cdmenu.sfw" and the other being
